Re: Spring Break, Tournament results memo, etc...

1) Please review the new schedule, it has changed. I have set up some non-mandatory practices for next Tuesday and Thursday during spring break. These are set up for any player that would like extra “one on one” instruction.

2) Tournament Results: To Date!

I am pleased with the results of our last tournament; we improved in 3 out of the 4 categories. Although we still have a lot of work to do, these results show that the hard work and practice that the team is putting in is starting to pay off!

TOURNAMENT	TURNOVERS		FREE THROWS		FIELD GOALS		FOULS	
SKIMINO 5 TH INVITATIONAL	84	21pg	37/89	41%	99/310	32%	102	20pg
ALABAMA REGIONALS	72	18pg	41/93	44%	64/215	30%	80	20pg
MAINE STATE QUALIFIER	89	22 pg	21/44	47%	38/173	22%	61	15pg
AAU REGIONALS	56	*14pg	30/42	* 71%	63/190	*33%	39	* 9.7pg

* Denotes improvement in category.

3) Assignments/Practice over spring break: I am passing out assignments and encouraging all the players to continue practicing over the spring break. I have also passed out a new video at tonight’s practice. There is a section called “You Got Next!” that I felt the players could benefit from.

Have a Happy Easter, and a fun (and safe) spring break!
