

## Ball Handling Drills for Youth Basketball – Basic Routine

These ball handling drills are for both Boys and Girls youth basketball players and should only take about 30 minutes per day. This ball handling routine will go faster once you get the hang of it. Coaches should encourage their players to do this routine no less than 5 times per week!

***\*Be patient, work hard, do these drills consistently, and you'll see improvements fast!***

- |   |          |
